This is the best time to invest in India, Prime Minister Narendra Modi said while outlining the achievements of his government in the past four years and extending invitation to the international business community to invest in the country.

Addressing the inaugural function of the Vibrant Gujarat Global Summit 2019 in Gandhinagar on Friday, Modi said 45% of the FDI received by India in the last 18 years came in the last four years of his government. He said India was one of the most open countries for FDI with over

90% of approvals coming via the automatic route. "India is one of the top 10 FDI destinations in the world with \$263 billion flowing into the country in last four years," he said.
