

SAVE THE DATE: Business Delegation to Vibrant Gujarat

Sustainable Danish Solutions
State of Gujarat, India, 17 – 20 January 2019

Confederation of Danish Industry in co-operation with Embassy of Denmark in India organise an official business delegation to Gujarat in India. Join the delegation to Gujarat and give your company the opportunity to explore the Indian market.

THE 2019-SUMMIT

Under the headline **Shaping a New India**, the Prime Minister of India, **H.E. Narendra Modi** will inaugurate this 9th edition of the Vibrant Gujarat.

Vibrant Gujarat Global Summit 2019 is a comprehensive growth initiative to promote business and investments in India in general and in Gujarat specifically. The conference will attract business people and political decision makers from all over India and abroad.

Denmark has become a partner country at the Vibrant Gujarat Summit, and we expect high level ministerial participation from Denmark.

This draws special attention to the participating Danish companies and it gives decisive momentum to the Danish presence.

DANISH FOCUS AREAS

At the 2019 summit Denmark will highlight specific Danish competences within 3 main tracks, reflecting expressed Indian demands:

- **Sustainable solutions:** water- waste- and energy solutions, urban infrastructure green building.
- **Smart engineering** (i.e. food processing equipment)
- **Infrastructure:** Ports and maritime, roads, logistics.

The summit will be an alternation between business seminars, b-t-b meetings, receptions i.e. As partner country Denmark will have a common exhibition stand at the summit, giving the possibility to profile your company and its specific competences.

OUTCOME

By participating at Vibrant Gujarat your company will secure i.e:

- exposure at various sector specific seminars and events.
- networking events with other Danish participants.
- Site visit to specific Danish investments in Gujarat state.
- VIP dinner with participation of the accompanying Danish minister and invited guests.
- Exposure and displaying of your company at the common Danish stand.
- Participation at the welcoming ceremony and briefings about the Indian market.

NEXT STEP

We will return shortly with further detail about the Summit: Program, prices and how to participate in meetings, business seminars, exhibitions etc.

Should you require further information, please do not hesitate to contact:

THE INDIAN MARKET

Since Narendra Modi became Prime Minister in 2014, the competitiveness of the country improved significantly. Prime Minister Modi is known to be working for pro-business, pro-growth and anti-corruption, and this approach has improved the business community's sentiment towards the government. Today India Ranks 40 at the Global Competitive Index from 71 in 2014/15.

Danish investment in India have risen ever since 2014 and so have Danish India trade.
